### **Background/Supporting Information**

The attached ordinance establishes the wages for 2003 for the Minneapolis Building Trades Council – Building Trades Inspectors.

The current collective bargaining agreement is in effect from January 1, 2001, through December 21, 2003. This agreement states that the Building Trades Inspectors wage rate for 2003 will be set at using an agreed upon formula or 2%, whichever is greater. It has been determined that a 2% increase is greater than the wages established using the formula. As a result, the attached ordinance reflects a 2% increase over 2002 wage rates.
